

At Leigh C of E, we aim for all our children to become fluent, confident readers who are passionate about reading.

“The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you’ll go.”
-Dr. Seuss

Children who read regularly or are read to regularly have the opportunity to open the doors to so many different worlds! More importantly, reading will give your child the tools to become independent life-long learners.

We can achieve this together through:

- Read Write Inc, a program to help to your child read at school
- Encouraging children to develop a love of books by reading to them daily, at home and at school
- Giving children access to a wide range of books at school and at home

At Leigh we use Read Write Inc Phonics (RWI) to give your child the best possible start with their literacy. We have put together a guide to how the RWI programme works together with some useful links.

Please take the time to read the information as it will provide invaluable information as to how you can help and support your child in reading.

What is Read Write Inc?

Read Write Inc (RWI) is a phonics complete literacy programme which helps all children learn to read fluently and at speed so they can focus on developing their skills in comprehension, vocabulary and spelling. The programme is designed for children aged 4-7. However, at Leigh we begin the programme in Nursery and will continue teaching RWI to children beyond the age of 7 if they still need support in their reading.

RWI was developed by Ruth Miskin and more information on this can be found at <https://ruthmiskin.com/en/find-out-more/parents/>.

How will RWI be taught?

Reception children participate in a daily RWI session, lasting for 15 minutes and gradually extending to 30.

In Reception all children will learn how to 'read' the sounds in words and how those sounds can be written down.

Reading

The children:

- learn 44 sounds and the corresponding letters/letter groups using simple picture prompts - see below
- learn to read words using Fred talk and sound blending
- read from a range of storybooks and non-fiction books matched to their phonic knowledge
- work well with partners
- develop comprehension skills in stories by answering 'Find It' and 'Prove It' discussion questions

Writing

The children:

- learn to write and form the letters/letter groups which represent the 44 sounds with the help of fun phrases
- learn to write words by using Fred Talk
- learn to build sentences by practising sentences out loud before they write

Talking

The children work in pairs so that they:

- answer questions
- practise every activity with their partner
- take turns in talking and reading to each other
- develop ambitious vocabulary

Children will be taught how to read as follows:

Before you start to teach your child, practise saying the sounds below. These are the sounds we use to speak in English.

Fred Talk

We use **pure sounds** ('m' not 'muh', 's' not 'suh', etc.) so that your child will be able to blend the sounds into words more easily.

At school we use a puppet called Fred who is an expert on sounding out words! we call it, 'Fred Talk'. E.g. m-o-p, c-a-t, m-a-n, sh-o-p, b-l-a-ck.

The following video is an example of blending sounds with

Fred. https://www.youtube.com/watch?v=dEzfpod5w_Q

The children are taught the sounds in 3 sets.

Step 1:

Set 1 Sounds are taught in the following order together with rhymes to help children form the letters correctly and instantly recognise sounds ready for blending.

Children will also use pictures for each sound to help recognise the sound and then form the shape of the sound.

Step 2:

The children are then taught **Set 2 Sounds** - the long vowels. When they are very confident with all of set 1 and 2 they are taught **Set 3 Sounds**.

Nonsense words (Alien words)

As well as learning to read and blend real words children will have plenty of opportunities to apply their sound recognition skills on reading 'Nonsense words'. These words will also feature heavily in the Year One Phonics Screening check in the summer term. [Click here](#) for further information on the Screening check.

Step 3:

Children will be introduced to 'Ditty books' when they successfully begin to read single words. The short vowels should be kept short and sharp:

Children use sound-blending (Fred Talk) to read short ditties. They will bring these home once they have read and discussed the book in class. Children will then be challenged to use their developing phonic knowledge to write short sentences.

Within all the books children will have **red** and **green** words to learn to help them to become speedy readers. **Red** words are words that are not easily decodable and challenge words to extend children's vocabulary. **Green** words are linked to the sounds they have been learning and are easily decodable.
