

Nursery Home Learning Activity Ideas

Use tweezers or tongs to pick up peas or pom-poms. How many can you pick up?

Use scissors to cut out pictures from a magazine or pictures that you have drawn.

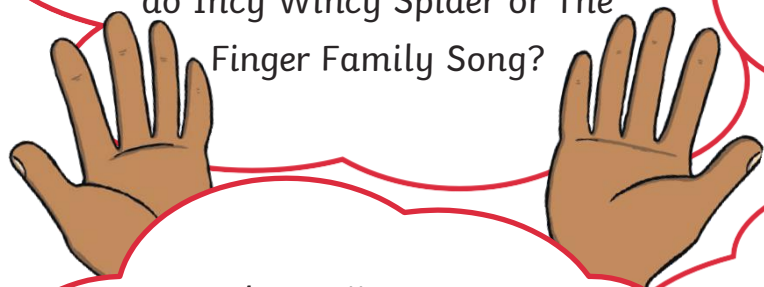

Use playdough to make an animal.

How many different animals can you make?

Learn a finger rhyme. Can you do Incy Wincy Spider or The Finger Family Song?

Practise tying knots in a lace or piece of string. How many knots can you tie?

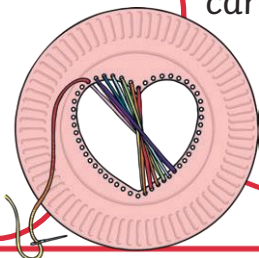

Use building bricks to create a building. Can you build a house, a shop or our nursery?

Complete a jigsaw. Can you do it on your own?

Make your own threading card by drawing a picture on cardboard, cutting it out and punching holes around the edges with a hole punch. Practise threading using a lace.

Can you create a rainbow using finger painting? What other pictures can you create?
